"Team DPW" runs the Stephen Siller Tunnel to Towers Race on 9/11/11
Standing L to R: Kevin Anderson, Pat D'Amelio, Mark Wellner, Rob Anderson
Front L to R: Tim Leonard, Mike Bouthillier, Larry D'Angelo

DEPARTMENT OF PUBLIC WORKS
TEAM RUNS IN THE
STEPHEN SILLER
TUNNEL TO TOWERS RUN
September 11, 2011

On 9/11/2001 Stephen Siller, a NYC firefighter from Staten Island was off duty. When he heard about the terrorist attacks, he jumped in his truck to join his fellow firefighters at the World Trade Center. Impeded by traffic, he abandoned his truck, strapped on his gear and raced on foot through the already closed Brooklyn Battery Tunnel to reach the burning towers. Last seen alive near Liberty and West Streets, he was one of the thousands who lost their lives that day. Stephen left behind a wife and five young children, and inspired members of his family to establish the Stephen Siller Tunnel to Towers Foundation, which supports burn centers across the country and works to build homes for members of the armed services returning from combat who have lost limbs or been paralyzed. The Tunnel to Towers Run is one fund-raising activity that supports the foundation.

This year, the tenth anniversary of 9/11, a team from our Department of Public Works, captained by DPW Superintendent Mark Wellner, joined the record turnout of **30,000** runners! Mark says, "It was an incredible experience. We came out of the tunnel to see 343 firefighters lining the street, holding banners with the names and faces of those FDNY members killed in the terrorist attacks. There were other firefighters too, and armed forces members holding American flags. We were very proud to be part of it. Next year more of us are planning to run."

Thanks to Mark Wellner, Kevin Anderson, Rob Anderson, Pat D'Amelio, Tim Leonard, Mike Bouthillier and Larry D'Angelo for their participation in this event. We know you guys are the best ... and now others know it too!

SAVE THE DATE!
ANNUAL TREE LIGHTING

Sunday, December 4
Details to be announced

2011
DEPARTMENT OF PUBLIC WORKS
ANNUAL TOY DRIVE

Add a new, unwrapped toy for a boy or girl to your holiday shopping list and help make the holidays a little brighter for a less fortunate child.

The good-hearted guys of our Public Works Department will be collecting toys to put under their tree on
DECEMBER 9th - 3 PM – 6 PM
DECEMBER 10th from 9 AM until Noon
at the DPW garage behind Borough Hall

Please be an elf and help make this their best year ever!

Public Works Department
Hits the Streets to Clean Up Litter

If you've noticed less litter along Rumson's main thoroughfares over the past few months, you can thank our Public Works Department. Spurred by the complaints of residents regarding the increasing volume of litter around town, particularly along River, Ridge and Rumson Roads, Councilman Frank Shanley, Administrator Tom Rogers and DPW Superintendent Mark Wellner put their heads together to come up with a plan. Mark, who is also a member of the Shade Tree Commission, suggested having two men pick up litter for a few hours on a Saturday. The first outing was very successful, netting six large bags of litter. Based on that, it was decided to continue the program once a month, snow cover permitting, in hopes that it will make a difference in keeping our streets clean. The added man-hours are paid for using funds the Borough receives from a Clean Communities Grant related to its excellent recycling record.

Councilman Shanley, who is Chairman of the Public Works Committee, hopes the efforts made by the Borough will be mirrored by the residents. If everyone clears away the litter in front of their homes, our beautiful town will really shine.

A MESSAGE FROM THE TAX COLLECTOR

Here's some important information regarding property tax and sewer payments. Although taxes are due on the 1st day of February, May, August and November and municipal sewer charges are due on the 1st day of April and October, the Mayor and Borough Council have resolved to waive interest on the payment of any tax or sewer installment if the payment is **received** by the 10th day of the month of each respective tax and sewer collection period. This is referred to as the "Grace Period". Payments must be received in this office by the close of business on the 10th day of the month in order to avoid interest being charged on your account. If payment is not received within the grace period, interest is then calculated from the date when the payment was originally due until the date of actual receipt of the payment. **POSTMARK DATES ARE NOT AN INDICATION OF RECEIPT BY THIS OFFICE.** The postmark indicates when the post office received the envelope for mailing. Physical custody of your payment in this office determines receipt for our purposes. Additionally, if the 10th falls on a Saturday, Sunday or Borough holiday, this deadline would be extended to the next business day.

If you cannot come in to our office during business hours on Monday-Friday from 8:30 AM to 4:30 PM – we have a "Night Drop" box for your convenience. The night drop is located in the lobby at the main entrance to Borough Hall and the lobby is normally open 24 hours. **Any payments left in this box are recorded on the next business day.** If you put your payment in the box on the 10th, it will be posted to your account on the 11th and therefore be considered late.

Please keep in mind that **we are unable to accept post-dated checks.** We must be able to post the payment to your account and deposit it on the day it is received. Any post-dated check will be returned to you, which could cause a delinquency and therefore interest accruing on your account.

Thank you for your cooperation and understanding. If you have any questions, please feel free to contact me at 732-842-1170 or via email at hgraves@rumsonnj.gov.

Helen L. Graves
Tax Collector

Just a reminder...

NO overnight parking is allowed on any borough street from December 1 through March 31.

Vehicles left overnight will be ticketed by the Police Department.

Your cooperation helps to ensure that our streets are cleared in an efficient and timely way when the snow flies!

THANKS FOR YOUR COOPERATION

OCEANIC BRIDGE **CLOSED** FOR REPAIRS

As you are aware, the Oceanic Bridge closed for repairs on October 17th and is scheduled to reopen on May 20, 2012. The planned repairs during this period include the rehabilitation of the bascule span, new grid deck, stringers, floor beams, supporting steelwork, mechanical/electrical repairs, hand and power tool cleaning, and painting the existing bascule pan steel. These repairs will ensure the safety of the bridge in the interim period until a replacement span is decided upon. Replacement of the entire bridge is expected to take place five to ten years hence.

The bridge closing is an inconvenience to all of us, but perhaps following new routes will lead you to some unexpected surprises! For further information on the bridge closing, please contact the Monmouth County Engineering Department at 732-431-7760.

RUMSON WOMEN'S CLUB

The Rumson Women's Club started its 72nd year on a sad note. One of the club's Founding Members, Gladys Lang passed away at the age of 91. Through the years Gladys participated at every level of the club, shared wonderful stories and her infectious smile. In 2005, the RWC placed Gladys on the New Jersey State Federation of Women's Clubs Honor Roll for her vision and desire to help others in the community. She will be sorely missed by all that knew her especially the members of the club.

It has been a busy fall; the club donated backpacks and school supplies to children in the Highlands School District, participated in the New Jersey State Federation of Women's Clubs Day of Service by donating supplies for Veteran's Homes in New Jersey and will be adopting a family for Thanksgiving. Instead of their usual Fall Luncheon the RWC is holding a 50/50 raffle to support the Claire Kraft Sulley Scholarship Fund and children in the CASA (Court Appointed Special Advocates) Program of Monmouth County. Anyone interested in supporting this fundraiser should contact Debbie Hughes at 732-245-8398. Tickets are \$10.00 each or 3 for \$25.00. The lucky ticket will be drawn at the club's Holiday Brunch on December 4th, 2011.

In November the members will hold their annual Poinsettia and Wreath Sale to help support local charities. If you would like to purchase wreaths or poinsettias please call Linda Babeuf at 732-842-5687

New Members are always welcome in both the Rumson Women's Club and the Two River Juniorettes. If you would like more information on either club or any of their upcoming events please contact Linda Babeuf at 732-842-5687 or rumsonwomensclub@gmail.com

RUMSON EMS

The past few months have been very busy for the Rumson First Aid Squad. So far this year, we have responded to nearly 400 calls for service. While the majority of our first aid requests occur in Rumson, we also assist in neighboring towns as needed. Additionally, you might notice our presence for stand-by coverage at local events, such as the annual fireworks display, local athletic games and races, parades, and other community events. All of our services are available twenty-four hours per day and 365 days per year, and they are always free of charge.

Recently, during Hurricane Irene, our members organized and assembled an elaborate “storm watch” at multiple locations in town. Nearly 20 squad members participated: some remained overnight at the first aid building and responded directly to first aid requests in the ambulances, while others staged at the Rumson-Fair Haven Regional High School and assisted in maintaining the county-designated evacuation site. Many residents of Rumson have special medical needs, and medical emergencies in general cannot be put on hold during even the strongest of hurricanes. The First Aid Squad recognizes this, and as such, our members were prepared and on alert for over twenty-four consecutive hours during the storm. The crews did a truly outstanding job and performed above all expectations. The residents have a lot to be proud of in our First Aid members.

We would like to recognize two of our squad’s current leaders in particular: President Jen Wargo and Captain Joe Truex. As President of the Squad, Jen oversees all administrative operations of the Squad and serves as the community and borough liaison. Additionally, as a former Captain, she possesses excellent clinical knowledge and skills that she demonstrates when rendering care to patients. Most importantly, Jen always does her job with a smile on her face, and her laughter is contagious. We are truly grateful for her unwavering dedication and commitment; she is a tremendous asset to the Borough of Rumson and to the First Aid Squad.

Joe, our Captain since January 2010, serves as the commander of field operations and oversees all calls for service. During his tenure as Captain, Joe has responded to 514 first aid calls—a truly impressive statistic that illustrates his unparalleled devotion to the residents of Rumson. In November, Joe will be honored at the New Jersey Statewide Conference on Emergency Medical Services as a finalist in the Outstanding EMS Call category. The nomination was for his leadership during an incident in which an individual had entered sudden cardiac arrest and was found not breathing and with no pulse. Under Joe’s supervision, the crew successfully resuscitated the

patient and saved his life; he has since made a full recovery and is alive and well. We extend our sincerest appreciation to Joe for his continued leadership and service.

The Rumson First Aid Squad is very appreciative of your generosity and donations, which we use to support our services. We will be mailing our annual fund drive letter to Rumson residents in the coming weeks, and you can make donations directly through the mailing or by going online to our website, www.rumsonems.org. All donations made to the First Aid Squad are used for the procurement of medical supplies and equipment for our ambulances, as well as for the training of our all-volunteer staff of Emergency Medical Technicians and First Responders.

We are constantly looking for new members to respond to emergency calls, as well as other citizens who would be willing to lend their talents in aid of the Squad’s administration. If you are over the age of 16 and are interested in joining us, please visit us at www.rumsonems.org, email us at info@rumsonems.org, or speak with any of our members!

Have YOU signed up yet?

NIXLE MUNICIPAL WIRE SYSTEM FOR EMERGENCY NOTIFICATIONS

When Hurricane Irene blew through town in late August, it was brought home just how important it is for us to be able to communicate with our residents during an emergency to keep them current on important, neighborhood-level information. The Municipal Wire system enables our police department to do just that, using text messaging and email.

There is **NO COST** for this service, which can be of great benefit to you. **THIS SYSTEM IS ONLY USED TO ISSUE EMERGENCY ALERTS AND ADVISORIES.**

Stay informed during an emergency! To register for this valuable service, visit our web site at www.rumsonnj.gov and click on the MUNICIPAL WIRE link at the bottom of the home page.

FALL/WINTER RUMSON RECREATION

Basketball registration for winter recreation basketball continues at the Borough Hall Mondays through Fridays from 8:30am-4:30pm. This program is for children who are in grades 1-8. Registrations were due no later than 4:30 PM October 21, 2011. Registrations received after 4:30 PM October 22 may be placed on a wait list if team rosters are full. There is a \$10 late fee for each registered child after 4:30 PM October 21, 2011. Children in grades 1&2 may participate in Saturday morning clinics that are held in the Deane-Porter all purpose room. The program begins on December 3, 2011 and runs through February 11, 2012. Children in first grade should report at 9am and children in second grade should report at 10:00am. Children in grades 3-8 are placed on teams which practice during the week and play games on Saturdays. Coaches will call parents to inform them regarding the placement of their child and information regarding the practice and game schedules. This program will begin the first week in December and run through the first or second week in March, 2012. The dates are subject to change.

Baseball, softball and tee ball registration forms for children who are in grades k-8 will be distributed through the schools in late December. Please note that the leagues we enter may require an earlier registration deadline. Please register no later than January 13, 2012 for the baseball, softball and tee ball programs.

Girls lacrosse (grades 3-8) and the Lacrosse Clinic Boys & Girls (grades 1&2) registration will be distributed through the schools in late December. Forms are due January 13, 2012.

Please visit our website at www.rumsonrec.org

We've got GREEN DAY down!

Our **THIRD GREEN DAY** was held on Saturday, October 8 from 9 AM to 12 PM. In that short span of three hours we collected:

7,420 POUNDS of electronics

4,500 POUNDS of shredded paper

Thanks to all our ecology-minded residents for this fantastic turnout. Your efforts have enabled us to pay for our new recycling hook truck ENTIRELY with competitive State Grant monies awarded to the Borough based on our volume of recycling.

Rumson Garden Club and Rumson Shade Tree Commission To Co-host Two Horticultural Lectures

The Rumson Garden Club and the Rumson Shade Tree Commission will be co-hosting two lectures to be given by Bruce Crawford, the Director of Rutgers Gardens, where he oversees one of the largest collections of hollies in the United States. Beginning in the 1950s, Rutgers Gardens' extensive holly tree collection was fostered and bred by noted plant biologist and Rutgers professor emeritus Dr. Elwin Orton. This primarily American Holly tree collection is well worth a visit to the gardens.

The first lecture, on December 2 at 4:00 PM, will discuss Native American and British species of hollies, and why hollies are ideal plants for the Two Rivers environment. One only has to stroll around Sandy Hook to see Native American hollies in their element.

The dormant winter month of January is a great time to emerge from hibernation and come to an informative talk on proper tree care. Find out how to care for your trees to prevent branch loss, trees toppling over and secondary damage. Remember the enormous amount of tree damage we sustained during last winter's snowstorms and this summer's hurricane? Learn how to maintain your trees properly to minimize damage in the future. Mr. Crawford will focus on correct tree planting techniques, staking and pruning. The tree care lecture will be held on January 23 at 7:00 PM.

Both events will take place at Bingham Hall on Bingham Avenue, and refreshments will be served. Join us!

TROOP 201 HAS THREE NEW EAGLE SCOUTS

Congratulations to Troop 201's newest Eagle Scouts, Aldo J. Mayro Jr., John J. Motley and Avery Peterson. All three boys have been involved in scouting in Rumson for over ten years. They have been together in the same group since their Cub Scout days. The boys' Eagle Scout projects involved coordinating over 320 hours of community volunteers working together. They also received donations from many area organizations to fund their individual projects.

Aldo J. (AJ) Mayro, Jr., a senior at CBA, worked at the Twin Lights historical site to take a historic ocean rescue vehicle from their basement, restore it, and design and build a display so that the unique vehicle and its history could be shared with the public. AJ received design support and guidance from Mr. Ed Wagner of Troop 21.

John J. Motley, also a senior at CBA, worked with Mrs. Ekdahl and Mrs. Reis and the Board of the Oceanic Free Library in Rumson to restore and refurbish the library exterior and parking lot gardens. John and his volunteers were assisted by Mr. Ed Pomphrey who donated his time and power washing gear to assist with cleaning, caulking and repainting of the exterior cement. Mrs. Hintelman of the Rumson Garden Club donated plants for the parking lot garden area.

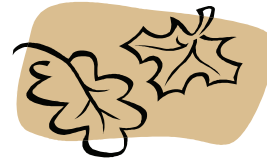

Avery Peterson, a senior at RFH, refurbished an entrance and handicapped ramp at the Embury United Methodist Church in Little Silver. Avery and his volunteers removed thousands of pounds of worn and displaced concrete, created new concrete slabs and removed and repaired old and worn woodwork on the steps and ramp of the entrance. Avery received design and support guidance from his father Rob Peterson.

All three scouts received their Eagle Scout Board of Review on September 20th at Bingham Hall. We are very proud of AJ, John and Avery and wish them much success in the future!

In other troop news, we ended the year with our annual flag disposal ceremony and Court of Honor at Victory Park and the troop took a tour of Earle Naval Weapons Base. This summer the troop made two trips to NoBeBosCo camp where the scouts had the opportunity to earn merit badges and to work on and improve their scouting skills. At the end of July a group of about 18 scouts and adult leaders set sail on a High Seas adventure from Sea Base in Key West Florida.

In September the troop started a new year with exciting plans for fall which include a trip to West Point in September and Ockanickon Scout Reservation in October. New scouts are always welcome in Troop 201. If you have finished 5th grade or are 11 years old come and join us! Meetings are held from September to June every Wednesday night at 7:30 PM in the Forrestdale cafeteria. For more information contact Lourdes Lucas at lucas@lm-lawfirm.com

THERE WILL BE NO BRUSH COLLECTION OR BULK PICKUPS IN NOVEMBER OR DECEMBER

Our Public Works Department needs to concentrate all their efforts on leaf collection during these months.

DOG LICENSES MUST BE RENEWED IN JANUARY 2012

Don't forget your furry friend when the New Year rolls around! All dog licenses must be renewed in the month of January to avoid incurring a late charge of \$5 per month after 1/31. **To license, your rabies certificate must be valid through October 31, 2012.**

If you no longer have a dog that was previously licensed, please call 732-842-3300 and let us know. We don't know unless you tell us!

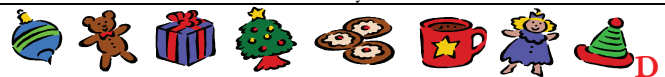

**KEEP YOUR DOG SAFE –
MAKE SURE HE WEARS HIS TAG!**

RUMSON SENIOR CITIZENS CLUB

After our summer hiatus, it was great to see everyone at our September meeting, and we are looking forward to a winter of fun. In the past few months, several members "went western" at the Rocking Horse Dude Ranch in the Berkshires, and to the Hunterdon Playhouse to see *The Odd Couple*, which was delightful. On October 24 we held a Halloween party at our regular meeting, and enjoyed seeing whooooo was who in their creative costumes!

Charles Clarkson, Esq. was the featured guest at a recent meeting, speaking on empowering Seniors to prevent Medicaid/Medicare healthcare fraud. For more information on this topic, call the toll-free hotline at 877-767-3259.

The Rumson Seniors meet on the 2nd and 4th Monday of each month from September through June at 11 AM in Wilson Hall, Rumson Presbyterian Church. All Rumson Seniors 55 and over, and their friends who live outside Rumson are welcome. We would love to have you!

DON'T MISS OUR FABULOUS ANNUAL CHRISTMAS BAZAAR!

**Rumson Presbyterian Church Hall
Saturday, November 19
10 AM- 2:30 PM**

Stop by for refreshments and chances on our food baskets, TV and dollhouse. Shop the "nearly new" booth, Christmas table and lots of other goodies. The bazaar is chaired by Gina Cesario and Jeanette Dispirito, and all members donate their time and gifts. See you there!

News from the OCEANIC FREE LIBRARY

MARK YOUR CALENDAR!

Thursday, November 17

6:00 PM

"GALLERY AT THE LIBRARY"
HOLIDAY BOUTIQUE

OFL will close at 4 PM on the 17th and reopen at 6 PM to welcome you to an Open House celebrating the completion of our renovations and honoring Lolly Ekdahl for her 11 years of dedicated service to the library. Please come and celebrate with us, toast Lolly and get a jump on your holiday shopping!

19 vendors will be displaying their work. There's something for everyone – pottery, paintings, jewelry, fiber art and more. And remember...20% of all sales will benefit the Oceanic Free Library!

The leaves are falling and winter is on its way. What better time to settle in with a wonderful new book? We have thousands to choose from, and helpful staff to help you find just the right one. And in addition to reading, there are so many upcoming programs at OFL. We're sure you'll find something to suit every member of your family.

FOR KIDS OF ALL AGES...

The Children's Program continues to be a popular pastime for Tuesday afternoons under the enthusiastic direction of Miss Anne. Check our web site or call for specific times for each age group. For some additional frightful fun, there will be a HOWL-O-WEEN party on November 1 at 3:45 PM. Moms, would you please bring your leftover candy to share?

Our "KidzArt" program was such a rousing success that Tresse DeLorenzo has agreed to do another program for Pre-K four and five-year-olds, directly following Miss Anne's Pre-K Storytime. Learning about art and how to draw is like learning a new language, a language that begins with recognition of lines and shapes. Students learn to focus and see how their wonderful world is put together. They are inspired by classes enhanced by art, story and movement to produce art projects that are fun and produce great results. The classes will take place at OFL on Tuesdays from 11:30 to 12:15, 11/1, 8, 15, 22, 29 and 12/6. The fee for the 6-week session is \$75. Please call Tresse at 732-872-2357 or email her at tresse@kidzartmonmouth.com for more information, and to register. Space is limited to 15 children so please call early!

Our first Young Adult Book Club for grades 6 and 7 will take place on November 3 at 3:30 PM. The book to be discussed is The Hunger Games by Suzanne Collins. RFH seniors Brooke and Kelly Gibbons, the facilitators of the book club, are sure to keep a lively discussion going. Snacks will be served.

Senora Loren Vernon will be conducting Spanish immersion classes for elementary school students starting in November. The senora will follow the Forrestdale School foreign language curriculum. Call the library for more information.

...AND FOR THE GROWNUPS!

Our Adult Book Group facilitator Cynthia Dannen also has a party up her sleeve. The book group holiday party will take place December 15 at 1:30 PM. Other planned book discussion dates are November 17 and January 26, 2012. Call us at 732-842-2692 for discussion book titles.

Do you need to take some continuing education credit courses, or just have a hankering to learn? Now you can access over 500 classes from the comfort of your own home computer! Go to the pages of the Monmouth County Library and click on "Electronic Resources", go the "Subject List" and on to "General Research" and continue down to "Universal Class". A HUGE variety of classes is open to you! Get continuing education credits free (and from home!) simply by using your green Monmouth County Library card – Amazing!

The library continues to host a variety of local artists thanks to the efforts of Theresa Caracappa. In November, Kaisa Lenz will display her lovely oil paintings and Mychelle Kendricks her creative jewelry. Helen Chen's jewelry will be featured in our "gallery" in December, together with local artist and educator Claudia O'Connor's paintings and those of her students. The talented art students of RFH will be our artists in residence for the month of January, treating us to a mixed media show of their works.

Director Nanette Reis requests that you *please* keep your information with the library current – phone numbers, addresses and emails. We need to stay in touch to better serve you. And please bear with us as we update our web site. You can always reach us by phone at 732-383-5270. Leave a message if we're not in, and we will be sure to get back to you promptly. You may contact Nanette Reis directly at reisn@monmouthcountylib.org

If you want to donate materials, we are most happy to accept *gently* read, current Summer Reading List books, CDs (books and music) and DVDs. Call if you have any questions, or to arrange a drop-off.

The library has so much to offer. Think about taking part and *being* a part – become a Friend of the Oceanic Library! Contact Rosanna Fazio at 732-383-5270 or email rosanna.fazio@comcast.net
